**Short Description:** A small book for men struggling with pornography

This is an unprecedented time. Sexually explicit material is more readily available now than ever before, and a struggle with pornography is often the greatest snare for a Christian man today. Though Christians have been transformed by faith in our Savior Jesus, we are harmed by our sex-saturated culture. So how can a Christian man find victory over pornography? This mini-book presents the only true solution: God's power working through the gospel within the context of the local church.
